### Other Ritver Divisions

#### WOOD FINISHES

A wide range of products including all coatings applied on wood is divided as follows: Stains, Fillers and preservatives for wood, Nitrocellulose based products, Polyurethane based products, Acrylic based products, Polyester based products, Ultra-violet based products, Precatalysed products, Outdoor products, Auxiliary products etc. Ritver wood finishes will provide the ultimate protection when applied on different wood surfaces.

#### POWDER COATINGS

In Mid 2011, Ritver decided to launch A NEW PRODUCTION LINE through its plant erected in Lebanon, The Powder Coating venture is a standing evidence to support the extreme faith in surging forward through sustained development and environment.

#### DECORATIVE FINISHES

Ahead of its rivals, Ritver is now completing the establishment and extension of the wide decorative range of products, followed by a professional and experienced distributors network which includes more than 50 showrooms operating in many cities and remote areas in the GCC, Europe & Africa.

#### CONSTRUCTION CHEMICALS

Ritver is proud to present the new addition to its range of products by launching the family for the new range of construction chemicals materials. Ritver became in a very short time one of the leading construction chemicals companies in the GCC.
