

## CF-200 Series Microcentrifuge

- Small footprint accommodates up to 12 microtubes or two 8-tube PCR strips (order strip rotor separately)
- Variable speed up to 15,000 rpm provides gentle to intense spinning for greater versatility
- Digital timer and rpm display ensure accurate and repeatable results
- Last run memory is ideal for routines—no need to reprogram after every run
- BioCote® antimicrobial protection is built in for a cleaner, more hygienic product
- 3-year warranty

## CF-200 Series Microcentrifuge

This quiet microcentrifuge has advanced features typically found in larger benchtop centrifuges. Saved speed or RCF and time settings plus auto start (just close the lid) save you time. Easily view the working parameters on the large backlit LCD. In addition to the user-friendly digital interface, the centrifuge comes with software and USB cable for remote operation and data acquisition.

For safety, the lid remains locked while the rotor is in motion and automatically releases when the rotor comes to a halt. An emergency lid release latch allows access to samples in the event of a power failure. Imbalance detection system identifies an asymmetrical load and prevents operation.

Unit includes a fixed-angle rotor and two adapter sets for 0.2/0.3 mL and 0.4/0.5 mL tube sizes.

### Specifications

| Model no.              | CF-200  |
|------------------------|---|
| Speed range            | 500 to 15,000 rpm   |
| Maximum RCF            | 15,596 x g  |
| Maximum capacity       | 12 x 1.5/2.2 mL tubes;<br>12 x 0.2/0.3 mL tubes (adapters included);<br>12 x 0.4/0.5 mL tubes (adapters included);<br>2 x 0.2 mL 8-tube strips (order rotor separately) |
| Timer                  | 30 s to 999 mins (1 min intervals)  |
| Acceleration time      | ≤30 s (to full speed)   |
| Deceleration time      | ≤40 s (fully stopped)   |
| Noise level            | ≤60 dB  |
| Dimensions (W x H x D) | 23.0 x 13.1 x 26.2 cm (9.1 x 5.2 x 10.3 in)   |
| Electrical supply      | 100 to 240 VAC, 50/60 Hz  |
| Warranty               | 3 years   |

### Ordering Information

| Description     | Item no. | Series no. | Model no. | Legacy SKU |
|-----------------|----------|------------|-----------|------------|
| Microcentrifuge | 85230-00 | CF-200     | CF-200    | SCF3       |

### Accessories

| Description                                | Item no. | Series no. | Model no. | Legacy SKU |
|--|----------|------------|-----------|------------|
| Strip tube rotor for two 8-tube PCR strips | 85230-06 | CF-200     | N/A       | SCF3/2     |
