## Description

UNICO is proud to present the PowerSpin™ DX Centrifuge

With 3 rotor options this centrifuge is a great answer for every day laboratory tasks. Choose from 24 place fixed rotor for 2-15ml tubes (#C8724), 6 place horizontal rotor for 2-15ml tubes(#C8706) or 4 place horizontal rotor for up to 50ml tubes (#C8704)

The PowerSpin DX series features a large, spacious stainless steel lined interior, all digital push-button control with 3

preset operational modes for Blood, Urine and Fecal, variable speed 500-4000 RPM and zero RPM lid latching system. DX's are available in three main versions, fixed angle and horizontal spin rotors. All DX's feature maintenance-free brushless motors and suction cup rubber feet.
